Shorts About Service Men

What the Boys are Doing Here and There

Belatedly, Hes Cardinal, who survived the sinking of the U.S.S. Gregory and subsequently was given a medical discharge because of injuries, wishes to extend thanks for the carton of cigarettes sent him before Christmas by the Truckee PTA and others. This week Hes received the present, seven months late, but was grateful for the gift, nevertheless. Those cigarettes really had a trip.

TAHOE CITY, —Ray Barton of Brockway has received his wings in the Paratroopers at Fort Benning, Georgia, and is now receiving advanced training in the medical detachment of the Paratroopers at Camp Mackall, N. Carolina. He was home on a short furlough after receiving his wings but as his leave was short he did not get to visit the lake. He is making from three to four jumps per day, plus several hours in medical training so doesn't have much time on his hands except weekends which he spends touring the deep south which he says doesn't compare with the lake.

Sailor Bill Marts came from Farragut, Idaho, where he has been in training and with his parents, Mr.and Mrs. A. C. Marts and Frank Tassano of Hayward visited local friends yesterday. Bill looks fine in his uniform and likes navy life. He expects to attend a technical school when he reports back to camp.

Naval Aviation Cadet Frank Titus accompanied by a friend, was in Truckee during the weekend from his nearby training station near Beckwith.

It is now Sergeant Raymond Saibini, according to most recent word received by his parents. He is with the invasion M.P.'s in the deep south.

Lilo Guidi, former Truckee student and more recently of Roseville is now taking his primary naval aviation training at San Luis Obispo, local friends have learned.

Announcements from Mr. and Mrs. Lester Flasher of Lewiston, Idaho, tell of the marriage of their daughter, Virginia Louise to Lieutenant Levon Richard Joseph on Saturady, June 12 at La Jolla, California, near where Levon is stationed with the Coast Artillery.

"I have missed my paper so much I am about to blow a fuse," thus writes Frank Nease, fireman second class in the navy, who has been on the move so much his paper fell behind. He is now at Bremerton, Wash. after leaving the hospital. He is awaiting orders and says he is all over his operation and feels like going to see Mr. Tojo now.

We have finally heard from old old friend, Kenneth Foster, seaman first class who is back from the Attu campaign with a ribbon on his chest for outstanding accomplishments. Kenny, who is 19 is the son of Mrs. Oscar Beach and while in port briefly enjoyed a visit with his mother. He has participated in two or three major engagements.

Marion Follett of the navy is home for a short leave and is visiting his father, who is seriously ill at his home here. Foleltt is stationed on the coast.

If any of you boys in the South Pacific are in need of a right smart weapon, C. O. Valentine at Tahoe has the answer. We have a card from Mr. Valentine in which he says "We have an excellent bolo in a leather scabbard which we would like to donate to the So. Pacific campaign. It has a good keen edge and I imagine would be just the right weight to split a Jap from top to bottom."

Phil Kearney writes from New Guinea that he is in excellent health and that the tropics haven't yet got him down. He had an egg for breakfast the other day, sunny side up and says he will never again refuse an egg. The week he wrote he had charge of a gang of unfortunate natives (unfortunate because they had to work) The only member of the gang that could speak English was the boss boy, the largest and huskiest of the lot who spent his time chewing betel nut and whittling a stick as he gave orders to the gang. The blacks sing as they work and when the song is translated it says "Alla boy strong; alla boy work quick." Phil said he would like to tell what our boys are doing but he doesn't want Tojo to find out.

PICTURES, TALK ARE LIONS CLUB FEATURE

Howard Davies, a former resident of Truckee, who was at Honolulu Pearl Harbor on December 7 1942, spoke and showed movies of the bombing of the islands before a meeting of the Lions Club Monday night. The talk and pictures brought out many hitherto unknown facts of the sneak attack and proved most interesting.

President N. F. Dolley presided for the first time since his installation. Other guests were Albert Pippen, a former Hobart Mills resident and Nat Quilici and Glenn Coffey both of Truckee.

MOTORIST CITED IN GAS RATION DRIVE

SACRAMENTO, July 8.— (UP)— James J. Boyle, Sacramento district director of the Office of Price Administration, today announced 125 citations for violations of war-time travel restrictions were issued after a holiday check of motorists at Lake Tahoe.

Boyle stated the citations are referred to the local war price and rationing boards for further investigation. Most of the cases were not flagrant violations, Boyle said, only one or two may result in criminal prosecutions in which car owners are subject to fines and a jail sentence.

B and C book holders are allowed 90 miles a month of "essential home driving" and supplemental rations for use in the professional work of the owner. A book holders are allowed 240 miles a month.

Visit Here—

Mr. and Mrs. Harry Eaton and sons of Fair Oaks are here this week visiting Mr. and Mrs. H. S. Eaton.

TAHOE RESORT MAN WEDS OAKLANDER AT SIMPLE SERVICE

TAHOE CITY, July 8.— Culminating a friendship which began 25 years ago, the marriage of Miss Fern Wilsey of Oakland and Theodore Schlueter of Tahoe Park was solemnized on Sunday at 1 p. m. at the Episcopal Chapel near Tahoe Tavern.

Rev. Bishop Noel Porter of the Diocese of Sacramento performed the simple ceremony in the presence of only a few close friends. Mr. and Mrs. Lloyd A. Greene of Truckee were attendants and Mr. and Mrs. Paul Stafford of Tahoe Park and Mr. and Mrs. Harry Johanson were present.

The bride, a charming woman, is the daughter of the late Mr. and Mrs. Jern L. Wilsey of Oakland. She has been floor manager for the J. C. Penney Company in Oakland for several years. At the ceremony she was attired in a pink gown with a pink felt hat and pink shoes. An orchid adorned her shoulder.

Mrs. Schlueter came to Tahoe this summer and met her husband for the first time since she was empoyed by his Oakland firm 25 years ago.

The bridegroom, a resort owner at Tahoe, is prominent in fraternal and civic activities both here and in the bay area and friends of the popular couple will join in wishing them all happiness.

The honeymoon trip will be postponed until this fall and they will receive their friends at their home in Tahoe Park.

PACE NAMED HEAD OF SCHOOL BOARD

A. Pace was elected president of the Meadow Lake Union High School Board of Trustees at the annual meeting held July 1 at the Southern Pacific Hotel and C. B. White was retained as clerk of the board.

The interior of the school building will be renovated, according to the plans made at the meeting. Mesdames Lotta Bryant, George Kamp and Ben Lewis are other members of the high school board.

BABY DAUGHTER IS BORN TO LOCAL PAIR

Mrs. Frank Giovannoni returned home this week with her daughter, Judith Ann, who was born in Reno on June 25. The new arrival weighed eight pounds at birth.

MRS. SWEENEY IS HONORED AT MEET

Mrs. Glenn Sweeney writes from Woodland that she attended a three-day V. F. W. Auxiliary Department encampment held at San Francisco the latter part of June as one of the two candidates eligible to join the organization from her vicinity.

Mrs. Sweeney was obligated to membership before nearly 700 spectators by Marie DeWitt of Minnesota the national president.

The former Truckee couple are enjoying their new home and partcularly the abundance of fresh fruits and vegetables from their own garden.

VOTERS URGED TO REGISTER BY JULY 22

Voters desiring to participate in the special election scheduled for August 31 when a successor to the late Harry L. Englebright, member of congress, will be named are urged to be sure their registration is in order. Thursday, July 22 is the final day upon which citizens may register for the special election, County Clerk R. N. McCormack announced. Those desiring to register here may do so at the J. C. Lewis Store or at the Sierra Sun Office.

MY PLACE 'N THE SUN

By CORP. DOUG BARRETT

(Excerpts from letters from some where in the Alaska Theater).

Dear People:

This will acknowledge receipt of one pipe which was gratefully received. It is a thing of beauty and hence a joy forever. I appreciate it more than words can convey.

I note in the latest trade journals sent up to me that Bert Cassidy is having a minister run the Mountain Messenger for him. Should be interesting, a man of God doing a "devil's" work.

I assure you I don't have the least bit of trouble sleeping. I can put away 10 or 12 hours a day without batting an eye. I had a slight suggestion of a cold yesterday and also had the day off so I spent 21 hours in bed, most of them asleep. It worked wonders with the cold.

It looks suspiciously like Yank Magazine has scooped The Sierra Sun in its own bailiwick. In the home town news section of that estimable service journal I learned that Locomotive No. 1 of an old lumber road at Lake Tahoe was presented to the Nevada State Museum at Carson City recently.

Also from the same source I learned that the Knights of Pythias in Yreka is planning a permanent honor roll of Siskiyou service men and women. Yank is really a great little paper and genuinely enjoyed by all the boys—and girls—in the army.

My friend, Sgt. O'Connell—who prefers the Hebrewic Daniel to the Gaelic Patrick—will no longer be with us. He has proved his mental acumen and is going back to the states to train to become a weather forecaster.

I hope you aren't counting on a long war. Even in our little spot we can see things that put our hopes pretty high for an early victory. It may not be as soon as we would like or as soon as some of our optimistic commentators predict but it will be sooner than a lot of you folks at home expect. Don't bet any money on it, just remember who told you.

Uncle Sam is screaming at the top of his lungs, and I must answer so I will consign this to the tender mercies of the censor—may he handle it with loving care.

JESSE MAYO HERE IN CAMPAIGN JOURNEY

State Senator Jesse M. Mayo of Calaveras County, and candidate for the office of representative in the U. S. Congress, visited Truckee last Sunday and again pledged his aid in solving local problems if elected.

He plans to return before the election to meet more voters.

FORMER OFFICIAL OF COUNTY EXPIRES

Obsequies were held at Woodland yesterday for Robert W. Tharp, 38, Woodland attorney, who died suddenly at Lake Tahoe July 4.

Tharp, a native of Woodland served three years as deputy district attorney under W. E. Wright in Nevada County and has many friends here.

He was married in 1938 and leav, his wife and one sister.

MORRISON GIVEN HIGHER POSITION

Merle A. Morrison who has been clerk of the Nevada County Selective Service Board since its organization more than two years ago, has been given a position as an inspector of the Northern District No. - of the Selective Service Boards with his headquarters in Sacramento. His family will remain in Nevada City.

Miss Dorothy Salisbury of Grass Valley who has been assisting Morrison was named his successor.

PLACER ELECTION WILL COST $5,500

The budget of the county clerk's office will have to be increased $5,500 because of the special election called for August 31. This was the estimate of Miss Lillian Rechenmacher, county clerk of Placer county, who has been notified to call the special election.

Record Reveals Drop In Civilian Travel In Area

Local Travel Drops Below 1942 Because Of Rationing

Civilian travel through the state's quarantine station east of Truckee was more than double in 1942 in comparison with the same weekend this year, W. C. Gage, senior inspector reports, but could give no figures on military travel which is not subject to the inspections.

For the three days, July 3, 4 and 5, 1045 cars from east of Reno bound for western destinations passed the station while 524 local cars went the same direction for a total of 3429 vehicles in one direction during the three day period.

Last year a total of 3429 cars were checked Gage said. Of these 2769 were local and 660 from east of Reno

To estimate the total cars going in both directions, the above figures may be doubled.

Monthly Report

Gage reported that the month of June, while showing a decline over last year, still maintained a better average than was shown during the holiday preiod of three days.

In June 1942, he said, a total of 17,067 cars were checked through the station, 11,075 being locals and 5,992 for inspections.

During the past month, the total dropped to 10,044 cars going west, 2,310 being locals and 7,734 stopped for inspection. These figures may be doubled to obtain an estimate of cars traveling in both directions.

YOUNG MARINE VET HELD HERE AFTER LOCAL CAR WRECK

A 20-year-old Marine, veteran of Guadalcanal and other engagements in the South Pacific, ran afoul of the law here last night when he allegedly stole an automobile belonging to Pete Lazzari which was wrecked a short time later east of Truckee. The boy, whose home is near Durham, North Carolina, said he had been drinking but said he did not remember stealing the car nor the wreck, although Highway Patrolman Earl Crane found him behind the wheel in the wrecked car.

The Marine is awaiting a medical discharge, he said, having stopped three Jap bullets during the fighting on Guadalcanal. He has scars on his chest, abdomen and arm to bear out his story. His father, he said, was a marine at Bataan and was killed early in the war.

The case will probably be turned over to the military authorities.

DEER SEASON WILL BE DECIDED SOON

SAN FRANCISCO— The state fish and game officials would like to know, too, if there is going to be a 1943 deer hunting season.

All they know right now it that the state law provides for a season to start August 1 in some areas. So deer tags have been placed on sale and other preparations made for the annual sport.

Whether the Western Defense Command will permit sportsmen to go after deer this year remains to be determined. As yet, Fish and Game Inspector W. J. Harp said, the army has not communicated its wishes in the matter.

It is hoped something will develop at the meeting in San Francisco today and tomorrow.

PATROL TO ENFORCE FIRE PREVENTION

California highway patrolmen operating in this area have been instructed to enforce rigidly Section 600 of the Vehicle Code prohibiting the throwing of lighted cigars, cigarettes and other burning material from moving vehciles.

In a bulletin to Sergeant B. W. Reynolds, Chief E. Raymond Cato called attention to the desparate need of protecting all potential sources of food and forest and ordered local officers to issue arrest cittations in every case where circumstances are deemed to justify such action.

Family Reunion—

Dr. C. C. Cozzalio, Dr. A. A. Cozzalio and family of Reno and A. Cozzalio and family of San Francisco are spending a vacation here visiting at the home of Mrs. V. Cozzalio and the F. A. Titus home.

.: Sun :. Beams

by WALTER M. BARRETT

The Independence Day holiday in Truckee passed uneventfully. There was a noticable drop in the number of visitors but taking everything into consideration, including mileage rationing, the district fared very well.

According to press reports only two or three of the many cars investigated by federal officers at Lake Tahoe over the three-day holiday were classed as flagrant violators. That, in our opinion, speaks well for the cooperation of the motoring public in meeting the rigid rationing requirements. Most people, we have found are attempting to live up to the confusing, conglomerate mass of war-time restrictions, cheerfully doing everything they are sked to aid in winning this war as soon as possible. It may be that many of the rules prescribed by the hundreds of administrators are downright silly or unnecessarily dictatorial, but we are, for the most part, playing the game under the rules. We have too much at stake now to take a chance on following the dictates of our best judgment and silly or necessary, all rules and regulations —until the war is won—should be observed. At the end of the war, it will be time for us to step out and in the good old American manner tend to our own business as we darn well please

Speaking of violations, it's hard not to speed over 35 miles per hour and it becomes more and more apparent that the nice roads, good weather and powerful cars are proving too much of a temptation for lots of folks. Too bad, too, because regardless of the cause, we understand quite definitely that there is still a rather critical rubber shortage. The sad portion of the story is that the speeders often are so-called essential drivers and will get replacements even at the expense of the chap who is attempting to make his old tires last by keeping under 35 but who, under the rules of the men in the rules committee, is not essential.

Synthetic tires will bring relief from the rubber shortage, Gordon Garland, director of motor vehicles predicts, but they promise no relief from drivers with synthetic brains.

Do you ever wonder why we never mention, as we did years ago, the littered condition of our principal street. Well, frankly, we got kind of used to it and it doesn't bother us so much any more. It's a safe bet that if our critical visitors would stay here a few years, they might also get used to it and stop trying to get someone or some agency to take care of the situation.

TAHOE DISTRICT HAS PROFIT FROM YEAR

TAHOE CITY, July 8.—Although $769.41 was derived from a district tax, the Tahoe City Public Utility District during the past fiscal year showed a net gain of $922.65, it was shown by the report of the auditor at a recent meeting of the board of directors of which C. W. Vernon is president and manager of the utility.

The $153.24 gained from operations was $56.82 more than the operations revenue last year in spite of the drop in consumers. A lesser cost for operations accounted for the difference.

N. R. Mayfield, one of the three directors, was instructed to seek an agreement with the commissioners of the Tahoe City Fire Protection District whereby the latter will pay rental on the hydrants owned by the utility district and the installation of which resulted in the necessity for a tax levy to meet the costs during the past year. Vernon proposed that the fire district which has now been formed and operating, take over the fire protection costs and eliminate the necessity for added taxes by the two districts.

Another resolution adopted at the meeting would allow each resident in the district 25,000 gallons of free water for victory gardens of 150 or more square feet in good order.

Visit Grandparents—

Margaret and Tommy from the L. C. Kearney home at Sylvan Corners are visiting their grandparents, the F. F. Kearneys this week. They are helping move the young pullets to their winter home.

Truckee Youth Was On Cruiser Lost In Battle

Robert Leamon Member of Helena's Crew In South Pacific

Robert Leamon, 24 year old Truckee boy was a member of the crew of the ill-fated 9,700-ton U. S. cruiser, Helena which was lost in the battle of Kula Gulf above New Georgia Island during the past few days.

Although the navy communique from Washington which announced the sinking of the Helena, admitted casualties, the nearest of kin had not been notified and Mr. and Mrs. Harold T. Langille, step-father and mother of Leamon, are anxiously awaiting word of his safety, as are scores of friends and former high school classmates here.

Leamon entered the navy just prior to Pearl Harbor and after receiving his training on the Pacific Coast was assigned to the Gregory as a petty officer. His ship, commanded by Captain Charles Purcell Cecil of Louisville, Kentucky, was in numerous engagements with the Jap and made a fine showing wherever it engaged the enemy.

Details of the sinking were not contained in the meager communique but it is known the light cruiser and its valiant crew aided materially in the reported victory to clear the Japs out of the area and pave the way to Tokio.

Loss of personnel in navy sinkings has been low and there is every hope that the Truckee boy escaped.

LAND OWNER SAYS DONNER PORTION IS OPEN TO PUBLIC

E. C. McReynolds, who has the boat concession rights on Donner Lake, made it plain last week that visitors and picnickers are welcome to utilize his property at the east end of the lake without fear of being ejected. McReynolds said he owns a tract between the highway and the lake extending some distance along the shore and back father than the locked gate. The gate itself, he said is on his property but he had nothing to do with locking it.

McReynolds said he had been advised the gate was closed after a period of many years to prevent the road leading into the lake from becoming a public thoroughfare. He was advised, he reported, that it will remain locked only for this year.

In the meantime the chamber of commerce and other interested citizens are endeavoring to detemine the status of the reported recent sale of water rights from the lake and the purported fencing of the shoreline.

McReynolds said that after it is possible to secure materials, he will improve his property, install wharfs, a breakwater and boat houses and possibly later on a recreational hall and coffee shop with perhaps a motor court.

In the meantime, he said, the public is invited to make use of the three and a half acres he owns.

FLORISTON SCHOOL WILL BE SUSPENDED

County Superintendent of Schools Walter A. Carlson reported to the Board of Supervisors this week that the average daily attendace at the Floriston, French Corral, Mariposa and North Bloomfield schools has dropped below the minimum and the board ordered them suspended. If the population of the districts does not come up to standard within two years the four districts will lose their identity and will be annexed by adjoining boards.

MRS. ENGLEBRIGHT SEES LOCAL VOTERS

Mrs. Grace Englebright, candidate for the office of representative to congress, accompanied by Miss Helen Chapman of Grass Valley were here visiting Truckee voters Tuesday. Mrs. Englebright aspires to succeed her late husband after the special election August 31, is making a tour of the 18 counties in the district and reports meeting favorable reception everywhere.

Vistinig Parents—

Mrs. Gino Pierotti and son of Oakland are visiting the former's parents Mr. and Mrs. P. Digesti. She came up to see brother Harry Digesti before he left for the army.

LEGAL NOTICES

STATE OF CALIFORNIA DEPARTMENT OF PUBLIC WORKS DIVISION OF HIGHWAYS

NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Department of Public Works, Division of Highways, at the office of the District Engineer, 703 B Street, Marysville, California, until 2 o'clock P. M. on July 20, 1943, at which time they will be publicly opened and read, for performing work as follows:

Nevada County, portions between Truckee and Nevada State Line (III-Nev-38-A, B), about one and one tenth (1.1) miles in length to be repaired with plant-mixed material.

Plans may be seen, and forms of proposal, bonds, contract and specifications may be obtained at the above address.

No bid will be received unless it is made on a proposal form furnished by the District Engineer. Each bid must be accompanied by cash or a certified or cashier's check made **payable to the Director of Public Works** for an amount equal to at least ten (10) per cent of the amount bid, such guarantee to be forfeited should the bidder to whom the contract is awarded fail to enter into the contract. A bidder's bond, executed as surety by some corporation authorized to issue surety bonds in the State of California, may be furnished in lieu of cash, cashier's check or certified check, said bond to be in an amount equal to at least ten per cent of said bid. No bidder's bond will be accepted unless it conforms to the form contained in the volume entitled "Special Provisions, Proposal and Contract properly filled out and executed. Blanks conforming to the said form can be obtained by request from the Division of Highways. If desired, the said form as contained in the volume entitled "Special Provisions, Proposal and Contract," properly filled out as directed, may be executed and used as the bidder's bond.

The Department of Public Works reserves the right to reject any or all bids.

In accordance with the provisions of Section 1777.5 of the Labor Code, as amended by Chapter 971, Statutes of 1939, and in accordance with the regulations of the California Apprenticeship Council, properly indentured apprentices may be employed in the prosecution of the work.

In accordance with the provisions of Section 1770 of the Labor Code, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Classification	Rate per Hour
Asphalt mechanical finisher operator	$ 1.50
Asphalt plant mixer operator	1.25
Asphalt plant dryerman or fireman	1.20
Carpenter	1.375
Flagman	.875
Laborer	0.875
Mechanic (trouble shooter)	1.50
Motor grader operator	1.625
Oil distributor bootman	1.00
Oiler power shovels or cranes	1.10
Operator of power shovel or other excavating equipment, shovel type controls (up to and including one cubic yard)	1.60
Operator of power shovel or other excavating equipment shovel type controls (over one cubic yard)	1.75
Roller operator	1.50
Tractor driver	1.50
Truck driver (18 cubic yards water level capacity or more)	1.4375
Truck driver (14 cubic yards and less than 18 cubic yards water level capacity)	1.3125
Truck driver (8 cubic yards and less than 14 cubic yards water level capacity)	1.25
Truck driver (4 cubic yards and less than 8 cubic yards water level capacity)	1.0625
Truck driver (less than 4 cubic yards water level capacity)	0.90
Any classification omitted herein not less than	0.875
Overtime—one and one-half (1½) times the above rates.	

Sundays and holidays (except watchmen, guards and flagmen)— one and one-half (1½) times the above rates.

The rates of wages, including overtime, holiday or Sunday rates, above specified are subject to the effect, if applicable thereto, of executive orders of the President of the United States No. 9240, dated September 9, 1942, and No. 9250, dated October 3, 1942, and to any modification thereof and to any and all lawful orders of the President or any other authorized Federal officer or agency, insofar as the same may be applicable to this contract. In case of any inconsistency the rates fixed by any such applicable Federal order, whether higher or lower, shall control.

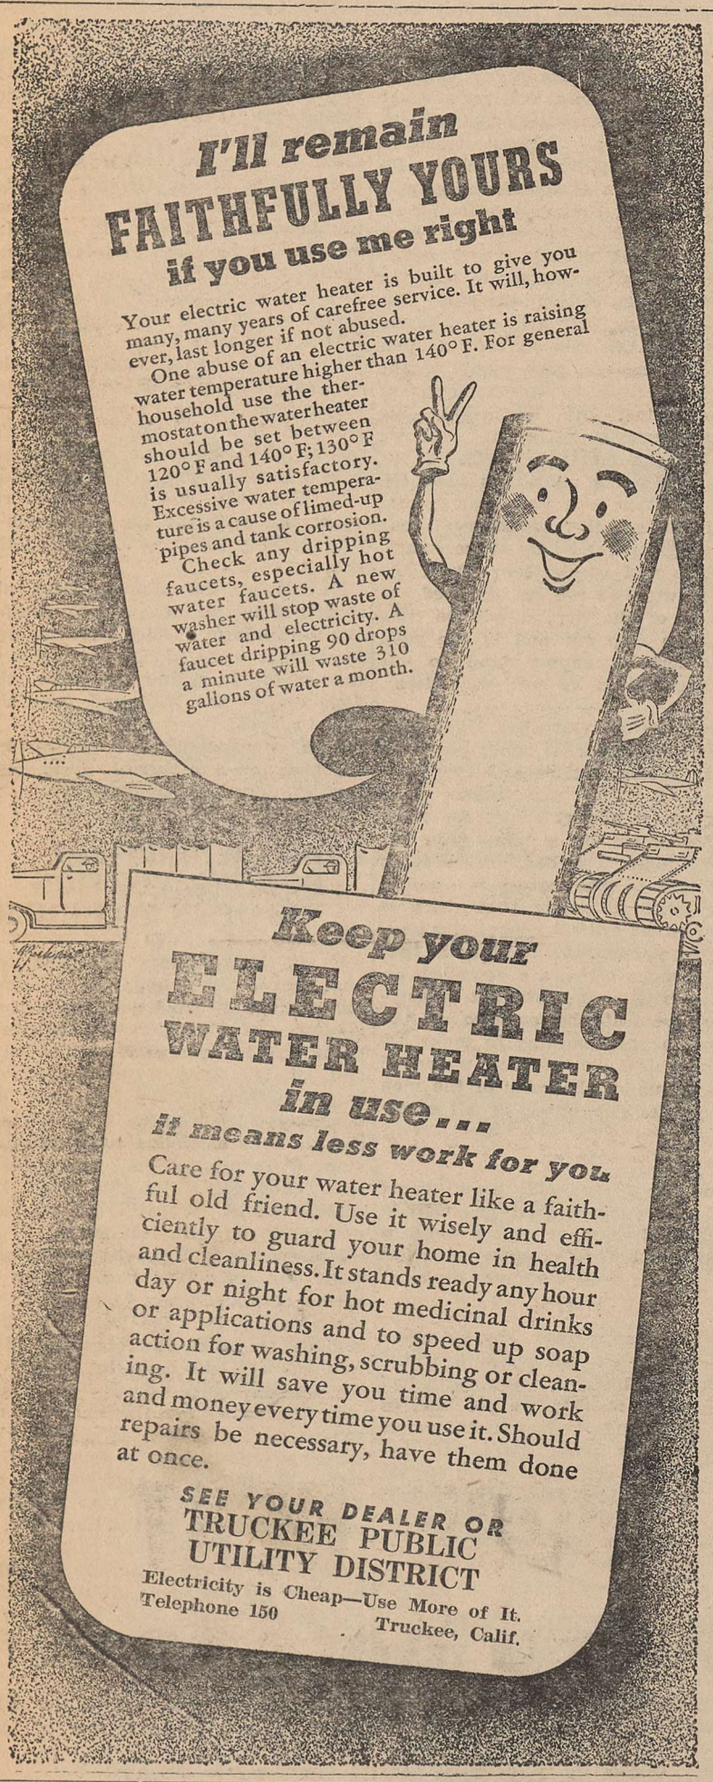
Visits At Tahoe

Mrs. Helga Olander, mother of Carl Olander of Forest Inn and his younger brother, Roy are spending several weeks at Tahoe.



I'll remain
FAITHFULLY YOURS
if you use me right
Your electric water heater is built to give you many, many years of carefree service. It will, however, last longer if not abused.
One abuse of an electric water heater is raising water temperature higher than 140° F. For general household use the thermostat on the water heater should be set between 120° F and 140° F; 130° F is usually satisfactory. Excessive water temperature is a cause of limed-up pipes and tank corrosion.
Check any dripping faucets, especially hot water faucets. A new washer will stop waste of water and electricity. A faucet dripping 90 drops a minute will waste 310 gallons of water a month.
Keep your
ELECTRIC
WATER HEATER
in use...
it means less work for you
Care for your water heater like a faithful old friend. Use it wisely and efficiently to guard your home in health and cleanliness. It stands ready any hour day or night for hot medicinal drinks or applications and to speed up soap action for washing, scrubbing or cleaning. It will save you time and work and money every time you use it. Should repairs be necessary, have them done at once.

North Tahoe News . . .

By MADELINE GALLERANI

Mr. and Mrs. J. Day are at their Brockway Vista hostelry for the summer.

Mr. and Mrs. Joseph Gallerani of Cave Rock have returned to their home in Pomona.

Mr. and Mrs. Carl Bohme of Tahoe Vista will spend the summer here.

H. T. Madsen of Reno spent the past weekend at his Tahoe Vista home.

E. M. Engle, persident of Nevada Photo Service at Reno recently purchased a home on Fox Street in Kings Beach.

Mr. and Mrs. Joseph V. Riola of Kings Beach celebrated their 34th wedding anniversary at an informal party given by a group of friends.

C. E. "Bud" Mandeville of Kings Beach is employed in war work at Battle Mountain.

F. Vercoe and family of Reno are spending a few weeks at their Kings Beach home.

Pauline Paine of Auburn is visiting at the home of Mrs. Clare Walters on Brockway Hill.

Walter Martinalli, pharmacist mate 1st class and his wife of San Francisco spent two weeks at the Edgelake Bungalows. Martinalli just returned from Guadalcanal. He brought several souvenirs among them were a native sarong and a Japanese saber.

William E. Colvin recently purchased the Harry P. Gray home at Lake Vista. He also purchased the Gray Motor bot which he has reconditioned and is now enjoying the water sports at Tahoe. Mrs. Colvin and daughter, Barbara, recently arrived to enjoy the summer months at their new home.

Mr. and Mrs. John Locke of Reno are at their summer home and are entertaining guests.

George Seymour of Brockway Vista is at home for a few days coming up from McClelland field where he is employed in war work.

Dr. and Mrs. W. O. Solmon have taken one of the Ketman cottages for two months.

FOREST INN OPENED

SUNNYSIDE, July 8.— Forest Inn opened its doors over the holiday weekend and Carl Olander, genial new manager, declares he is more than pleased with the attendance his dining room is enjoying. He hopes within a short time to make available, in advance, some of the unusual menues he plans to feature.

NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES

July 1, 1943

To Whom It May Concern:

Notice is hereby given that fifteen days after the date posted, the undersigned proposes to sell alcoholic beverages at these premises, described as follows:

Ward Creek, 3½ miles South of Tahoe City, Placer County.

Pursuant to such intention, the undersigned is applying to the State Board of Equalization for issuance of an alcoholic beverage license (or licenses) for these premises as follows:

On sale Beer and Wine.
On Sale Distilled Spirits.

Anyone desiring to protest the issuance of such license(s) may file a verified protest with the State Board of Equalization at Sacramento, California, stating grounds for denial as provided by law. The premises are not now licensed for the sale of alcoholic beverages.

Carl Olander.

Tahoe Kwikies

Dr. and Mrs. H. P. Hills of San Francisco and Judge and Mrs. Homer Spence of the bay area are sojourning at their Truckee river summer homes.

Mrs. George Bacchi has opened her Lake Forest resort for the summer season.

Mr. and Mrs. Robert Pomin and children of Vallejo were weekend guests at the home of Mrs. Pomin's parents, Mr. and Mrs. D. M. Brodehl in town.

Mrs. Ruth Ables and Douglas Smith were guests at the Mayfield home in town last weekend.

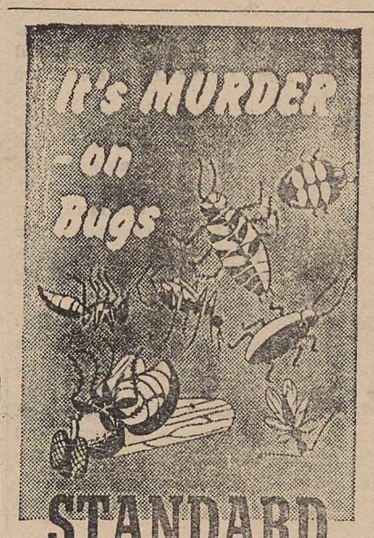
Recent dinner guests at the home of the S. P. Browns at Edwards Lodge were Mr. and Mrs. Roy Stark of Dollar Point. They also visited at the Jay Schumachers at Tahoma.

Gene Rogers was a weekend visitor at his mother's home in Tahoe City.

Mrs. John Walters of San Francisco has arrived at her summer home on the Truckee River near Rampart Station.

Mr. and Mrs. Jess Sisk and daughter Betty were up for a brief visit to their home at the E. B. King estate Saturday. While here Betty renewed her acquaintance with her pet mount Bonnie, being kept for her by Constable Johanson.

The lake level Monday stood at 6229.01 with 252 CSF of water leaving the gates at Tahoe. Mr. Simmonds, the date tender, is recuperating slowly at his home near town.



STANDARD
FLY SPRAY

It hits 'em and it kills 'em! It's as simple as that when you go after insect enemies with quick-killing Standard Fly Spray. Standard Fly Spray kills for keeps, protects your property, your health against flies, moths, ants, roaches, fleas and many other deadly bugs. Insect menaces cost the nation millions of dollars annually. Stamp them out — get after enemy insects right now with Standard Fly Spray. It kills 'em DEAD!

(BY SWANEE) Telephone Tahoe City 66J

Tahoe Briefs

Despite restricted travel the Tahoe area enjoyed a goodly share of the vacation traffic ith most of the resorts and cabins filled. Weather on Monday continued summery and those who sacrificed for weeks to make the trip were well repaid.

Among regular Tahoeites who have opened their summer homes are Mrs. M. C. Milton at Sunnyside who was accompanied by her daughter Anne Lovejoy and little daughter; the Hall family of San Mateo, in at Guth-A-Winga; Mr. and Mrs. Ernest Schmitz at Tahoe Park from Sacramento; Mrs. W. E. Briggs at the family home near Sunnyside and Mrs. John Metcalf and party who arrived Friday at their home near the Catholic chapel.

Mr. and Mrs. A. R. Westpahl and two daughters, Barbara nd Gloria arrived from San Francisco on July 1 to spend some weeks at the lake vacationing.

At the Lopes home in Timberland houseguests for the week include Mr. and Mrs. Don Fraga of San Leandro.

Jimmie Davi and party of Antioch occupied the Baldocchi home in the Timebrland over the weekend.

Mr. and Mrs. Thomas E. Stanton of Sacramento were weekend guests at the Harry Johanson home in Tahoe City.

Eric Druhn arrived Saturday from San Francisco to spend a four-day vacation at the lake.

TAHOE GUN CLUB AGAINST JAPS BEING ALLOWED FREDOM

TAHOE CITY, July 8.— Members of the Tahoe Gun Club held their monthly meeting Tuesday night at the home of Mr. and Mrs. Stanley Martin. In the absence of President Bill LaMarr, A. M. Anderson conducted the buisness of the evening. A letter was read from Mrs. A. M. Henry, who with her husband, Joe, plan to continue membership in the club.

It was decided to move the target fromes from their position near the Tahoe Wye back to the original range on the crest of the hill above the golf course. A resolution was also passed wheerby members of the club will petition the governor to use his influence in confining all Japanese, citizen and otherwise in relocation centers for the duration of the war, in keeping with the policies advocated by General DeWitt.

Tasty refreshments were served by the hostess at the conclusion of the meeting. Those enjoying her hospitality included Robert Wallace, A. M. Anderson, Stanley Martin, Bob Harkness, Eleanor and Jimmie Swanson, Mrs. Elsie Druhn and Mrs. Emma Wallace and daughters, Jerry and Georgia. The next meeting will be on August 6.

—V—

At the home of Mrs. John Reedy in Timberlnd Tract visitors included Madame Jules Clerfayt of San Francisco, Elder Burke and Mr. and Mrs. Martin Gastman of Sacramento.

TAHOE LETTER

* * * *

To the Service Men

From SWANEE

Tahoe, Calif., July 8th

Dear Tahoeites:

This Sunday is one of the most important holidays on our national calendar .... the Fourth of July. This year we observe the 167th anniversary of the birth of our independence a state which we hope sincerely to see all nations of the world enjoying when this bitter war has ceased. Today is a day upon which to count our blessings and to bow our heads in prayerful rememberance of all those who have given their lives that we who live on may continue to enjoy our manner of Life, Liberty and the pursuit of Happiness!

The lake region today was favored with one of the loveliest, sunniest days of the season, much to the delight of the vacationists visiting our fair shores. Although traffic increased noticably for the three-day holiday it was only a shadow of the record set during other and more peaceful years. Anxious to offer compensation for past cold, windy weekends, Mother Nature sent forth some of her prettiest wild flowers to brighten up the scenery and the sky over the Nevada hills on the night of the 4th was the most colorful seen in weeks. Only a few scattered firecrackers broke the twilight silence, and I failed to notice any of the brilliant fireworks displays whicch were enjoyed after nightfall around the lake in other years. Tahoe like most other sections of our nation observed a sane and quiet Fourth.

Making my weekly trip to the doctor in Reno Saturday I picked up two army men en route to that city for a bit of recreation. They were from Sacramento. On the way home Sunday I picked up two sailors, Bruce Ferguson and Harold Flood, submarine men from the bay area. Their ride to Truckee with me gave them plenty of time for regrets over the loss of an opportunity to impress their companions with winnings from the Reno games. Letting them out at the Tahoe Wye I had gone only a short distance when I picked up two army men botth of McClellana Field en route to the lake for their first look at Tahoe. All of these boys were perfect gentlemen and all appreciated the rides, but what burns me up is to see motorists with plenty of room passing these boys up without a qualm of conscience. Not one of them so much as lifted a thumb and yet no one could pass them with out knowing they needed transportation. I hope my readers will give a bit of thought to these lads in uniform and make their furloughs away from camp routine more comfortable and enjoyable. W owe them at least that much while we still enjoy the privilege of driving a car.

Mrs. Monet Hamilton of Tahoe Lodge has just returned from a business trip to Palm Springs. She reports that southern resorts are filled to capacity. Her son, Monet, Jr., fireman first class has not been heard from for more than six weeks now. He last wrote while his ship was in dry dock and is now somewhere on the Atlantic. He expects soon to be a machinist's mate.

Mr. and Mr. Roy Stark of Dollar Point were agreeably surprised last week when their son, Jay, N.A.S. U.R. a graduate of the local schools came home on 24-hour leave.

From far away England recently came a letter from a cousin of Mrs John Reedy and Miss Anne McDonald of Timberland. Among other things the letter contained was the assurance that despite the great longing of the English people for oranges, grapefruit, peaches and apples they weer maintaining regular weight and are eating substantially. Bread and good flour was plentiful, meat rations small, clothing coupons were a nuisance and silk stockings a thing of the past. Homes lose all of their window panes occasionally as a result of bombings and England swarms with soldiers of all nations, a colorful spectacle in their varied uniforms. Everyone is raising vegetables but long for fresh friut. From jokes she hears she concludes that Americans do not much like English tea and she asks her American cousins to please give her a surefire method of making coffee which will please the visiting members of the armed services. She rejoices that the church bells of Essex are again calling Sunday worshipers to prayer, their silevry tones spreading cheer and the hope that vicotry and peace are not too far distant.

The wharf on the commons at Tahoe City has been repaired by Norman Mayfield's crew, with the exception of placing a cribbing on one side to protect small boats, and already many motorboats are taking advantage of it. As soon as permission can be secured from the Highwal Department, the job of completing stairs from the roadway to the beach will begin. Plans are under way by members of the Tahoe Women's Club for raising money with which to continue the beautification of the commons, discussion on this subject to take place tonight at a meeting in Community Hall.

War news coming over our radios continues better and better and as we listen intently to latest bulletins we know that some of you are in the midst of that fighting and our hearts and thoughts go out to you and agreat hope wells within us that it will not be too much longer until you are once more back on your own Main Streets in the company of friends and relatives. This is the sincere wish of all the folks back home.

May good luck, good health and cheerful spirits attend you.

Yours for victory and peace in 1943, As ever,

SWANEE.

Tahoe Schools

The Tahoe Lake Grammar School resumed classes on Monday with Mrs. Myrtle Gallinger on hand to expound the meaning of the three R's. Sixteen pupisl answered the roll call with 20 expected by the end of the week. Tihs is an increase over the number attending at the close of school in June. Six first-graders are enrolled.

Only a half-day session was held by the Tahoe high school on Monday due to the holiday.

—V—

Tahoe Briefs

N. R. Mayfield recently purchased the old Bliss home just north of town on the lakeshore. It is one of the oldest houses in the lake area and remains one of the landmarks of old Tahoe. Part of the house now used as kitchen and upstair bedrooms were originally built by Will Bliss with the front portion of the house comprising living room, dining room and two bedrooms added later. Some parts were brought by barge from Bijou and assembled and added here. Mayfield plans to use the eight room house for accomodations for his workmen this year and is devoting some time to cleaning up the premises.

The Nevada highway department this week announces the reopening of the Mt. Rose highway to Reno.

Rentals continue fair, according to Fred Kilner, Tahoe realtor, despite a slow season. At Sunnyside are Captain William H. Gurney, Jr., of Camp Beale and Mrs. Gurney of Sacramento.

The Mtt Green house in Tahoe Park has been leased for the season by Mr. and Mrs. Charles Matthews. The house of Mrs. Ida Meyer was osld to Dr. John P. Fabian a lieutenant commander in the navy.
